

Edwin Reyes
Cook County Commissioner
8th District

Dear Commissioner Reyes

The Center for Neighborhood Technology deeply appreciates your support for the Transit Future campaign to expand public transportation in Cook County. As per our conversation we would like to be able to use your signature among our list of supporters. The signature would be used to verify your support and on our campaign website along with other supporting individuals and organizations.

The undersigned therefore endorse:

- The implementation of projects in the GOTO 2040 Plan that support expanded reliable transit throughout Cook County.
- An advisory referendum to have a permanent funding source for the GOTO 2040 Plan transit projects placed on the March 2014 Cook County ballot.
- Advocating; for increased public awareness of the benefits of expansion of public transportation throughout Cook County.

Edwin Reyes, Cook County Commissioner 8th District

Thanks for your leadership and your time and attention,

Sincerely,

Jacky Grimshaw
Vice President of Policy CNT
